Public Notice Concerning Kansas / Federal
Water Pollution Control Permits and Applications

State of Kansas
Department of Health and Environment
Division of Environment-Bureau of Water
1000 SW Jackson St., Suite 420
Topeka, Kansas 66612-1367

Telephone: (785) 296-6432 - Ag Permits
(785) 296-5517 - All Others

Public Notice No. KS-AG-17-081/086

Beginning Date: June 8, 2017
Comments Due: July 8, 2017

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the State by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-17-081/086

Pending Permits for Confined Feeding Facilities

<u>Name And Address of Applicant</u>	<u>Legal Description</u>	<u>Receiving Water</u>
David Lowe Haw Ranch Feedlot II, LLC P.O. Box 248 Potwin, KS 67123	SW/4 of Section 24 & NW/4 of Section 25 & NE/4 of Section 26 T24S, R03E Butler County	Walnut River Basin

Kanas Permit No.: A-WABU-C002

Federal Permit No.: KS0037567

This permit is being reissued for an existing facility for 20,000 head (20,000 animal units) of cattle weighing more than 700 pounds. There is no change in the permitted animal units from the previous permit. An approved Nutrient Management Plan for the facility is on file with KDHE.

SW/4 of Section 19

Lower Arkansas River
Basin

T25S, R15W
Stafford County

Kansas Permit No.: A-ARED-C003

Federal Permit No.: KS0094919

This permit is being reissued for a confined animal feeding operation for 2,000 head (2,000 animal units) of cattle weighing greater than 700 pounds, and 2,000 head (1,000 animal units) of cattle weighing less than 700 pounds. This represents an increase in the permitted animal units from the previous permit. This permit also contains modifications consisting of 9 acres of additional pens and constructing two new earthen wastewater retention structures. This facility has an approved Nutrient Management Plan on file with KDHE.

NW/4 of Section 22
T27S, R37W
Grant County

Cimarron River Basin

Kansas Permit No.: A-CIGT-C005

Federal Permit No.: KS0093670

An updated Nutrient Management Plan (NMP) was received for this existing facility currently permitted for 24,000 head (24,000 animal units) of cattle weighing greater than 700 pounds. The facilities NMP was updated to include a change in land application fields, adding four new sites owned by the facility. There are no changes to the permit or in the permitted number of animal units. Only the updated portions of the Nutrient Management Plan are subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments or objections considered in the decision making process. Comments or objections should be submitted to the attention of Livestock Waste Management Section for agricultural related draft documents or applications, or to the permit clerk for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas 66612-1367.

All comments regarding the draft documents or application notices received on or before **July 8, 2017**, will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-17-081/086) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/ application. If response to any draft document / application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents / application and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m., Monday through Friday, excluding holidays.
